

KARNER CHARISMA BOOSTER

24-28 MAY 2023

"I'm super happy to announce that we return to the exceptional *Karner*, the spring of stories. The *Karner* is a 500-year-old farmstead in the heart of Austria. This is one of those experiences you definitely cannot buy at Lidl. The owner Alexander Ruckensteiner will participate in this exclusive event curated for eight participants max. Apart from rhetoric and charisma, you will also face a demanding day in the mountains. The breathtaking scenery combined with wine-fueled hours at the story stove will turn this event into another eternal moment." -- Flo

At the Karner, I had the best and most unique seminar of my life. Florian made me grow tremendously in a very short time. With his technique, his humor, and his heart, he was able to take away my fears and prove that it is possible to become a public speaker. I am so grateful and I will never forget this experience.

Florian is a spectacular speech trainer. He is a master of the material, extremely good at bringing out the best in people and getting them to confront their own inhibitions, and incredibly funny and engaging and utterly effective. Highly recommended!

This training is an experience. It has logos, ethos, pathos; it is so full of energy and fun. Forget about taking notes, just listen and let yourself immerse. What Flo delivers will go straight into your hearts, souls, and minds.
