“Flo” from Germany, based in **Barcelona**, worked as a consultant and business development manager for almost a decade for **KPMG**, the global advisory firm. **Since 2009** he has dedicated himself to helping companies improve their performances by teaching them the power of persuasive, inspiring, and charismatic communication. His specialty is moving people to action in an **energetic, unconventional, memorable** way. Florian is the co-creator of the world’s first public speaking board game **RHETORIC**. A collaborator of **IESE Business School Barcelona** and author of six books, Florian offers **transformational** communication seminars, keynote speeches, and speech coaching, in **English, German** and **Spanish** mainly to **international brands** like Banco Santander, Black Semiconductor, Intel, Jägermeister, Microsoft, Roche, SAP, Schwarz Group, Scopely, and Viessmann.

There are training courses like a dime a dozen. Flo, however, takes training to a new level. They are not only rhetorical insights and charisma boosters, but, at the same time, the portal to a joint team journey that brings the team together. The perfect match of personal development and team growth.

This training is not a training. This training is an experience. It has logos, ethos, pathos; it is so full of energy and fun and it is the best team-building without being called team-building. Forget about taking notes, just listen and let yourself immerse. What Flo delivers will go straight into your hearts, souls, and minds.

With Flo, I had the best and most unique seminar of my life. Florian made me grow tremendously in a very short time. With his technique, his humor, and his heart, he was able to take away my fears and prove that it is possible to become a public speaker. I am so grateful and I will never forget this experience.

Florian is a spectacular speech trainer. He is a master of the material, extremely good at bringing out the best in people and getting them to confront their own inhibitions, and incredibly funny and engaging and utterly effective. Highly recommended!
